I ♥ Fly Fishing

Learn to Fly Fish in a Day: The TT5R Chapter of Fly Fishers International is sponsoring its Annual Fly Fishing Academy. This is a high-quality fly fishing course, open to Adults and to Youth 11 yrs old and over. The class will provide beginner fly fishers with the basic knowledge and skills to get started, and will help those familiar with the sport onto a fast track to improve. We have enhanced the academy program to include actual fishing on a pond with an opportunity to catch fish on a fly rod.

Classroom topics include: Fly fishing equipment and its use; fly types as well as tips on fishing these flies; learning to tie basic fly fishing knots; reading the water; basic insect study; catching and releasing fish. Students will develop fly casting skills (hands-on) through sessions taught throughout the day by skilled/certified fly casting instructors. ***Note that fly casting and pond fishing will be done outdoors, so dress for the weather!!!***

Students can bring and learn on their own fly rod, but are welcome to use the TT5R Chapter's fly rods.

Expert Instruction: More than 20 members and fly fishing experts staff the academy, bringing over 200 years of fly fishing experience to help all students learn about the sport and most of all have fun.
