Learn to Fly Fish in a Day

The TT5R Chapter of Fly Fishers International is sponsoring its Annual Fly Fishing Academy. This is a high-quality fly fishing course, open to Adults and to Youth 11 yrs old and over. The class will provide beginner fly fishers with the basic knowledge and skills to get started, and will help those familiar with the sport onto a fast track to improve.

Classroom topics include fly fishing equipment and its use, fly types and their usage, knot tying, reading water, basic entomology, fishing dry flies, streamers, and nymphs, catching and releasing fish. Students will most importantly develop fly casting skills through three sessions throughout the day.

Students can bring and learn on their own equipment, but are welcome to use the club's equipment.

More than 20 members and fly fishing experts staff the school, bringing over 200 years of fly fishing experience to help you learn and have fun. Kirk Klingensmith is our Lead Instructor for the Academy. Chas Elliott leads our fly casting staff and is an Internationally Certified Casting Instructor.
